Sewall Child Development Center provides inclusive early education programs at 8 sites in 25 classrooms throughout the community in addition to our Congress Park headquarters. Sewall provides full and half-day programs, plus services for children in 47 Head Start classrooms across the city.

This map indicates where Sewall operates classrooms in the Denver metro area. All map locations are approximate.

Sewall’s transdisciplinary teams (including occupational, physical, and speech therapists, special educators, and mental health providers), collaborate at each site.
